The package, called "Disney Parks Around the World," will take 75 Disney fans to six countries in 24 days. As well as visiting every Disney theme park around the world — four in Florida, two in California, two in Paris, two in Tokyo, one in Shanghai and one in Hong Kong — customers will

also visit other famous locations including the Taj Mahal, the pyramids of Giza and the Eiffel Tower.

Customers will travel in a private Disney-themed Boeing 757 jet. They will also have the opportunity to stay at Summit Skywalker Ranch in California, which was designed by Star Wars creator George Lucas as a place for filmmakers to work on their movies. Tickets for the tour will cost over \$120,000 per person, or about \$110,000 per person if two people share a room. The package includes park admission, travel and hotel rooms, as well as 68 meals.

The tour starts in Los Angeles and then flies to Tokyo, Shanghai and Hong Kong. It then goes to Agra, India; Cairo, Egypt; and Paris, France, before finally flying to Orlando, Florida. Customers will have to travel to and from the start and finish locations themselves. The tour begins on July 9, 2023. Customers must be aged 12 or above, and there is no discount for children's tickets. Tickets will be available to the public on July 28, 2022.
