Rapunzel

Once, a witch **stole** a baby girl named Rapunzel and took her to a tall **tower** with no stairs or doors, but only a window.

Rapunzel had long hair, which the witch used to climb up the tower.

One day, a prince, passing by the tower, heard Rapunzel sing.
He also saw the witch climb the tower.

When the witch went away, the prince climbed up the tower.
Rapunzel and the prince met and fell in love with each other.
Soon, the witch returned. She cut Rapunzel's hair and left her in a desert.
Then, she threw them into **bushes** and **blinded** him.

Many years passed, the blind prince **wandered** alone and reached the same desert.

He heard Rapunzel's song, followed her voice and found her.

Rapunzel's tears of joy fell into the eyes of the prince and **healed** his blindness.

The prince took Rapunzel to his kingdom and married her.
